(e) From the money transmitted to the State Treasury under subdivision (d), the Controller shall make deposits as follows:

(g) If any of the fees provided in subdivision (a) are partially waived by court order or otherwise reduced, and the fee is to be divided between the Trial Court Trust Fund and any other fund or account, the amount of the reduction shall be deducted from the amount to be distributed to each fund in the same proportion as the amount of each distribution bears to the total amount of the fee. If the fee is paid by installment payments, the amount distributed to each fund or account from each installment shall bear the same proportion to the installment payment as the full distribution to that fund or account does to the full fee.

- (h) Except as provided in Sections 470.5 and 6322.1 of the Business and Professions Code, and Sections 70622, 70624, and 70625 of this code, no agency may take action to change the amounts allocated to any of the funds described in subdivision (c), (d), or (e).

- (j) If a delinquent payment under subdivision (c) or (d) results from a delinquency by a superior court under subdivision (b), the court shall reimburse the Trial Court Trust Fund for the amount of the penalty. Notwithstanding Section 77009, any penalty on a delinquent payment that a court is required to reimburse pursuant to this section shall be paid from the court operations fund for that court. The penalty shall be paid by the court to the Trial Court Trust Fund no later than 45 days after the end of the month in which the penalty was calculated. If the penalty is not paid within the specified time, the Administrative Office of the Courts may reduce the amount of a subsequent monthly allocation to the court by the amount of the penalty on the delinquent payment.
