**Local Community
Benefit Committee
(LCBC)**
Created in each County:
2 County Representatives
3 City Representatives*
2 Tribal Representatives
*Cities must be located within 4
miles of a casino in the county, or
the county and a majority of tribes
operating in the county choose
these local representatives.

**Local Community
Benefit Committee
(LCBC)**
Created in each County:
2 County Representatives
3 City Representatives*
2 Tribal Representatives
*Cities must be located within 4
miles of a casino in the county, or
the county and a majority of the
SDF paying Tribes choose these
local representatives.

Priorities for the receipt of grant money:
Law enforcement, fire services, emergency
medical services, environmental impacts, water
supplies, waste disposal, behavior, health,
planning and adjacent land uses, public health,
roads, recreation and youth programs and child
care programs.

Priorities for the receipt of grant money:
Law enforcement, fire services, emergency
medical services, environmental impacts, water
supplies, waste disposal, behavior, health,
planning and adjacent land uses, public health,
roads, recreation and youth programs and child
care programs.

For each non-SDF paying county that
receives funds, grants shall be available to
local jurisdictions in the county
irrespective of any nexus to any casino
based on the recommendations of the
LCBC.

Grants for SDF Paying Counties must be
allocated in following formula:

- 60% for nexus grants.
- 20% for discretionary grants with no nexus
requirements.
- 20% for discretionary grants to local
governments impacted by non-paying SDF
Tribes.
