Local Innovation Subaccount

Local Innovation Subaccount

- The Local Innovation Subaccount exists only at the local level.
- The subaccount—funded by taking a ten percent share of four other specified realignment-related growth accounts—is intended to promote local innovation and county decision making.
- Expenditure decisions for the Local Innovation Subaccount are determined by the board of supervisors. The subaccount can be used to fund any activity that is otherwise allowable for any of the underlying accounts that fund the innovation subaccount.
- The authority for counties to create the subaccount and make related spending decisions begins with growth attributable to the 2015-16 fiscal year, which will be distributed to counties in October 2016.
