

ORDINANCE NO. 5292

**AN ORDINANCE OF THE COUNTY OF MONTEREY, STATE OF CALIFORNIA,
AMENDING TITLE 21 (NON-COASTAL ZONING) OF THE MONTEREY COUNTY
CODE RELATING TO CANNABIS USES**

County Counsel Summary

This ordinance amends Chapter 21.67 of Title 21 (non-coastal zoning) of the Monterey County Code to update regulations for commercial cannabis activities in the inland unincorporated area of Monterey County consistent with state law. This ordinance amends the previously adopted commercial medical cannabis regulations to make the regulations applicable to both medicinal and adult-use commercial cannabis without changing the previously adopted criteria. These regulations include allowing cultivation within existing greenhouses and industrial buildings, as well as manufacturing, testing, retail, delivery, and distribution, as uses allowed subject to a Use Permit in each case within specified zoning districts, and subject to obtaining all other County required cannabis-related permits and licenses. This ordinance also updates terms consistent with changes in state law.

The Board of Supervisors of the County of Monterey ordains as follows:

SECTION 1. Findings and Declarations

A. Pursuant to Article XI, section 7 of the California Constitution, the County of Monterey may adopt and enforce ordinances and regulations not in conflict with general laws to protect and promote the public health, safety, and welfare of its citizens.

B. The federal Controlled Substances Act (21 U.S.C. §§ 801, *et seq.*) prohibits, except for certain research purposes, the possession, distribution, and manufacture of cannabis, and there is no medical necessity exception to prosecution and conviction under the Controlled Substances Act.

C. The federal government has issued guidelines for states and local governments that have enacted laws authorizing cannabis related conduct, requiring them to implement strong and effective regulatory and enforcement systems that will address the threat that cannabis activity could pose to public safety, public health, and other law enforcement interests.

D. On November 5, 1996, California voters approved Proposition 215, the Compassionate Use Act of 1996 (Health & Safety Code § 11362.5, "CUA"), an initiative that exempted certain patients and their primary caregivers from criminal liability under state law for the possession and cultivation of cannabis for medical purposes. One of the stated purposes of the CUA is to ensure that seriously ill Californians have the right to obtain and use cannabis for medical purposes where that medical use has been recommended by a physician.

E. On January 1, 2004, Senate Bill 420, the Medical Marijuana Program Act (Health & Safety Code §§ 11362.7-11362.83, “MMP”), became law to clarify the scope of the CUA and to facilitate the prompt identification of qualified patients and their primary caregivers.

F. On October 9, 2015, the State enacted the Medical Marijuana Regulation and Safety Act (former Business & Professions Code §§ 19300, *et seq.*; “MMRSA”). MMRSA created a state licensing program for commercial medical cannabis activities.

G. On July 12, 2016, the Monterey County Board of Supervisors adopted inland zoning regulations establishing criteria for issuing local land use permits pursuant to the MMRSA (Ordinance Number 5270, amending sections of Title 21 and adding Chapter 21.67 to the Monterey County Code), and on July 19, 2016 the Monterey County Board of Supervisors adopted regulations establishing criteria for issuing local business permits pursuant to the MMRSA (Ordinance Numbers 5272 and 5273, codified at Monterey County Code Chapters 7.90 and 7.95). These ordinances were to become operative only if the Board of Supervisors submitted a County tax on commercial medical cannabis activities to the voters, the voters approved the tax, and the tax was certified by the County pursuant to Section 15372 of the California Elections Code. On November 8, 2016, the voters approved the tax (Measure Y, codified at Monterey County Code Chapter 7.100). On December 13, 2016, the tax was certified pursuant to Section 15372 of the Elections Code and Ordinance Numbers 5270, 5272, and 5273 became operative. Hence, Chapter 21.67 became operative in the inland unincorporated area on December 13, 2016. Chapter 21.67 provided a one year amortization period for commercial medical cannabis activities that were legally established prior to August 12, 2016 to obtain all required County permits, licenses, and entitlements, or to terminate their operations. This one year amortization period ended on August 12, 2017.

H. On November 8, 2016, by statewide initiative, the voters enacted the Control, Regulate and Tax Adult of Marijuana Act (“AUMA”). AUMA created a state licensing program for commercial adult-use cannabis activities.

I. On June 27, 2017, the State enacted the Medicinal and Adult-Use of Cannabis Regulatory and Safety Act (Business & Professions Code §§ 26000, *et seq.*; “MAUCRSA”), which combined MMRSA and AUMA into a single state licensing scheme for both medicinal and adult-use cannabis. MAUCRSA allows counties and cities to maintain local regulatory authority over commercial cannabis activities. The state will not issue a state license without first receiving authorization from the applicable local jurisdiction.

J. It is the purpose and intent of this Chapter to accommodate the health needs of medical cannabis patients and to establish a local regulatory system for both medical and adult use cannabis uses consistent with state law.

K. It is the intent of the County of Monterey to have a strong and effective regulatory and enforcement system with regard to cannabis that addresses threats to public safety, health and other law enforcement interests through robust controls and procedures that are effective in practice, and that comply with state law and federal guidelines.

L. This ordinance provides regulations for the local permitting of commercial cannabis operations under specified conditions in the non-coastal unincorporated areas of the County. The Board of Supervisors is acting on a separate similar ordinance to update the County regulations for commercial cannabis activities in the coastal unincorporated areas of the County.

M. This ordinance, together with the ordinances amending Chapters 7.90 and 7.02 of the Monterey County Code requiring a Commercial Cannabis Business Permit and a Business License for all commercial cannabis operations, is intended to establish criteria for issuing local permits pursuant to the MAUCRSA and to establish an effective regulatory and enforcement system consistent with the guidance issued by the United States Department of Justice.

N. This ordinance is exempt from the California Environmental Quality Act (CEQA) pursuant to California Business and Professions Code section 26055(h) which provides a statutory exemption from CEQA for the adoption by local jurisdictions of ordinances that require discretionary review of permits, including applicable environmental review under CEQA, to engage in commercial cannabis activity. This ordinance requires a Use Permit for all commercial cannabis activities, and each Use Permit would be individually subject to applicable environmental review under CEQA.

SECTION 2. Section 21.06.152 of the Monterey County Code is amended to read as follows:

- d. Any other breach of security.

10. Possession or delivery of any other form of illegal drugs without proper legal authorization shall be grounds for revocation of permits.

C. Required Findings: A Use Permit for a cannabis retailer shall not be granted by the Appropriate Authority unless all of the following findings are made based on substantial evidence:

1. The retailer, as proposed, has demonstrated that it can and will comply with all of the requirements of the State and County to operate a cannabis retail facility.

5. The owner shall be responsible for ensuring that all commercial cannabis activities at the site operate in good standing with all permits and licenses required by the Monterey County Code and State law. Failure to take appropriate action to evict or otherwise remove permittees and persons conducting commercial cannabis activities at the site who do not maintain permits or licenses in good standing with the County or State shall be grounds for the suspension or revocation of a Use Permit pursuant to Section 21.67.120 of the Monterey County Code.

6. The retailer shall operate only in accordance with the operating plans reviewed and approved by the County. The County shall limit the hours of operation for a retail facility to begin no earlier than 8:00 a.m. and to end no later than 8:00 p.m.

The Notice of Intention shall notify the owner and permittees of the opportunity to request a hearing before a

Hearing Officer to present evidence as to why the Use Permit should not be suspended or revoked and shall notify them of the 10-day deadline to submit a written request for a hearing.

B. The owner and permittees shall have ten (10) calendar days from the service of the Notice of Intention to submit a written request for a hearing before the Hearing Officer. Failure to submit the written request for a hearing shall be deemed a waiver of the right to challenge the suspension or revocation of the Use Permit and a failure to exhaust administrative remedies. If the hearing is not timely requested, the Director of the Resource Management Agency or the Chief of Planning, or his or her designee may suspend or revoke the Use Permit in accordance with the Notice of Intention.

C. Upon receipt of a timely written request for a hearing, the Director of the Resource Management Agency or the Chief of Planning, or his or her designee shall set a date for a hearing to be held within 60 days of receipt of the request, unless an immediate threat to the public health, safety and welfare necessitates an earlier hearing date. Notice of the hearing, including the time, date, and location of the hearing, shall be served on the owner and permittees, such service to be accomplished by either personal delivery or by certified U.S. Mail, postage prepaid, return receipt requested.

D. Hearing by the Hearing Officer:

1. The Hearing Officer is authorized to conduct hearings, issue subpoenas, receive evidence, administer oaths, rule on questions of law and the admissibility of evidence, prepare a record of the proceedings, and render decisions on the suspension or revocation of the Use Permit.

2. In any proceeding before a Hearing Officer, oral testimony offered as evidence shall be taken only on oath or affirmation, and the Hearing Officer, his/her clerk, or other designee shall have the power to administer oaths and affirmations and to certify to official acts.

3. All parties to the hearing shall have the opportunity to testify, introduce exhibits, call and examine witnesses, and cross examine opposing witnesses on any matter relevant to the issues.

4. The Hearing Officer may postpone the hearing date upon good cause shown, continue the hearing during the course of the hearing, and make such other procedural orders and rulings as he or she deems appropriate during the course of the hearing.

5. Within thirty (30) calendar days after the close of the hearing, the Hearing Officer shall issue a written decision, including a statement of the basis for the decision. The Hearing Officer's written decision shall constitute the final administrative decision of the County.

E. In the event a civil action is initiated to obtain enforcement of the decision of the Hearing Officer, and judgment is entered to enforce the decision, the person against whom the

order of enforcement has been entered shall be liable to pay the County's total costs of enforcement, including reasonable attorney fees.

F. If neither owner nor any permittee nor their authorized representatives appear at the noticed hearing, such failure to appear shall constitute an abandonment of the hearing request and a failure to exhaust administrative remedies.
