Those of us working in the Capitol have learned who the “go to” people are for insight and information on budget negotiations and other state affairs. One of the leading “go to” guys here in Sacramento is [John Meyers](#), the Sacramento Bureau chief for KQED's *The California Report*. John has just published a blog (“[Budget +82: The Week Ahead](#)”) that offers some unique thoughts and insights into the current budget stalemate and discussions. Enjoy the reading.
