

Sample Tweets For State Funding

4/29/2020

Please @ your legislators so they can "hear" you.

#CACounties urgently need State financial support! Skyrocketing #COVID19 costs and declining revenues create a perfect storm to impact essential #publichealth & safety-net services that are needed now more than ever. @CAGovernor @GavinNewsom #CSAC

#California won't be able to reopen without additional #publichealth capacity in #CACounties. #State funding support is needed now so California's counties can help kick-start the economy. @CAGovernor @GavinNewsom #CSAC #localgov

Local governments have immediate #COVID19 funding needs. State allocation of \$1.1 Billion CARES Act funds will help prevent dire cuts to essential services & help kick-start the #economy. @CAGovernor @GavinNewsom #CSAC #localgov #CSAC

Our 58 #CACounties provide essential public health & safety-net services that protect elderly & children, help small biz & unemployed workers, and help kick-start economy w/ infrastructure projects. Need for state relief is critical! @CaGovernor #CALeg #CSAC

A strong state-county partnership means doing everything we can to protect public health and safety in the #COVID19 crisis. #CACounties are front-line responders and need state \$\$\$ to prevent dire cuts to essential services @CaGovernor #CALeg #CSAC
